

# Parent Permission and Waiver for Campers to View 2017 Great American Eclipse

On Monday, August 21, 2017, our area will be in the path of a near total solar eclipse. This event is being called "The Great American Eclipse" because it is the first time since 1918 a solar eclipse will be visible on a path across the entire continental United States.

Safety is our priority! CSA Karate Camp will take precautionary measures with both students and staff to make this experience both safe and enjoyable. Homemade filters or ordinary sunglasses, even very dark ones, are NOT safe for looking at the sun! Students will not be permitted to look at the un-eclipsed or partially eclipsed sun through cameras (including cell phones), telescopes, binoculars or other optical devices, with or without glasses. CSA has purchased glasses for all campers that are ISO certified.

A parent/guardian signature on this sheet is required by Monday, August 21, 2017 if you would like your child to view the eclipse using either CSA provided eclipse glasses or glasses that you will be sending in with your camper. Campers whose parents do not complete this form or decline viewing will have the opportunity to participate in alternative activities or view televised coverage of the eclipse inside the studio.

Parents/guardians should fill out one form for each child and return it to the Jennifer Lake no later than start of day on Monday, August 21, 2017.
